Naldehra Golf Website now gives you the power to create a Community. With the added features Registered Users can now Sign in and Post their own blogs; View blogs of other members ; Send Personal Messages to other members; Check Inbox for Messages you might receive from other members. In addition Connections can be made and Golfing Partners found. A Profile book is also available to leave comments for known members. Somebody can leave a comment for you too. Please Upload a picture of yours when you Sign Up.To access all these resources:Just Sign in and a User Menu will be displayed to you. Here you can check your Inbox; Modify your profile; View the User List and Write your own Blog. You can also access all your published content by accessing "My Content". In case any user wishes to submit articles directly to the Website then he should contact the Admin at administrator@naldehragolf.com within 24 Hours you will be allowed access and then you can post articles directly to the Website by accessing the "Submit News" link.If you wish to check other User's Profiles then just access "User List". Furthermore you can send a message or leave an entry in their Profile Book. Their Blog's can be accessed from here as well as Emailing them.For any other questions or queries please contact the Admin.I hope you enjoy the new "Communities" feature of the Naldehra Golf Club.Administrator
